THE MAKER OF OPPORTUNITIES

George Gibbs (1870 – 1942)

When you're tired only because you're bored; and you're bored only because it seems like there's really nothing worth doing; and you're so, so wealthy that one would think opportunity should be knocking at your door every day... you sometimes just have to tell your closer friends how fatiguing the life of he who has everything really is.... And then; you find your calling!
